Brand New Book ***** Print on Demand *****.The aliens in this story look like large snakes, but they have fur that comes in different colors, and they have seal like faces with parrot like beaks. These aliens, which are called the Mystana, are sea dwellers, and protectors of the oceans and all of the animals in the oceans. The Mystana feed on emotions, and plants. Sara is the first of six people, who are selected to protect the Mystana, and the second...
