Abhinav Publications, New Delhi. Hardcover. Book Condition: New. First Edition. 190pp. This book investigates the relative impacts of changing educational and occupational levels on the life-pattern of the scheduled castes. It highlights, on the one hand, the effectiveness of developmental measures taken so far and exposes the shortcomings of operative mechanisms, on the other. This is a well-presented piece of research work giving extremely useful data, analyzed in a proper and systematic manner. Students of sociology and decision-makers at all levels will find this study both enlightening and thought-provoking.
