Reviews

It is an amazing publication which i actually have at any time go through. It really is writer in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.

Baen Books. Book. Book Condition: new. BRAND NEW, Ragnarok, Patrick A. Vanner, Captain Alexandra "Alex" McLaughlin is not a woman to be underestimated. Under her petite exterior is a spine of solid steel and a disposition to laugh in the face of impending death. A former member of the Terran Navy's elite force, the Dead Jokers, electronic-warfare pilots with a mortality rate to match that of old Japan's Kamikazes, Alex is a born survivor. But sometimes survival can be a curse. Humanity is locked in a war of survival with the Xan-Sskarn, an alien race that refuses to acknowledge the rights of "weaker" creatures to live. It is a war that will not end with a peace treaty, but only the complete subjugation of one species to the other. And right now, the alien side is winning. However, the enemy on the outside is not the only one to be faced. As the battles take on an eerily familiar pattern of no-win scenarios, Alex realizes the horrifying truth; humanity has a traitor, and it's somebody close. As each battle brings more death, Alex's ghosts grow and so does her desire for vengeance. There is only one way for this to end, and Alex is just the human to take it there - to Ragnarok.
