## COMBINED CARE OF THE RHEUMATIC PATIENT

Book Condition: New. Publisher/Verlag: Springer, Berlin | Gone are the days when the physician could act as God, the orthopaedic surgeon as the Lord God and the nurses as ministering angels. The concept of a team approach with each discipline supplying special yet overlapping skills is accepted in principle, although not always in practice. Physiotherapists and occupational therapists resist integration of their training among the hierarchy; however, on the ground, these remedial therapists often do each other's jobs with...
