II GERMAN MORAL AND POLITICAL PHILOSOPHY It is difficult to select sentences from Kant which are intelligible to those not trained in his vocabulary, unless the selection is accompanied by an almost word-by-word commentary. His writings have proved an admirable terrain for the display of German Gründlichkeit. But I venture upon the quotation of one sentence which may serve the purpose of at once recalling the main lesson of the previous lecture and furnishing a transition to the theme of the present hour. Even if an immeasurable gulf is fixed between the sensible realm of the concept of nature and the supersensible realm of the concept of freedom, so that it is not possible to go from the first to the second (at least by means of the theoretical use of reason) any more than if they were two separate worlds of which the first could have no influence upon the second, --yet the second is meant to have an influence upon the first. The concept of freedom is meant to actualize in the world of sense the purpose proposed by its iAWSi That is, the relation between the world of space and time where physical causality reigns and the moral world of freedom and duty is not a symmetrical one. The former cannot, intrude into the latter. But it is the very nature of moral legislation that it is meant to influence the world of sense; its object is to realize the purposes...
