

Climates of the Northwest: Being Condensed Notes of a Lecture (Classic Reprint)

By Selucius Garfield

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Climates of the Northwest: Being Condensed Notes of a Lecture An almost continuous residence for more than twenty years upon the Pacific slope and in the interior regions of the Continent, much of which time was spent in travel by sea and land, has brought me face to face with nearly all the topographical and climatic conditions of the country lying west of the Mississippi. These in all essential particulars differed so widely from those of the Atlantic regions, that observation was awakened, and inquiry into the causes of difference stimulated. Some of the results of these observations and inquiries have been condensed in the form of a lecture, brief notes of which are now published more for the benefit of those who are inquiring for new homes in the far west, than for scientific climatologists. If they shall contribute in any measure to a better popular understanding of the climatic conditions of the western half of the Continent, the object of their publication will have been accomplished. The facts stated in the following pages...
