Wattle Publishing Limited. Paperback. Book Condition: new. BRAND NEW, The Demise of SS Corfu Island, Frixos Elia Sekkides, On December 20th, 1963 a violent storm hit the Magdalen Islands. The ship known as the SS Corfu Island had run aground. It was miraculous because usually the announcement of a shipwreck around the Magdalen Islands meant an almost certain loss of life. This story is told by one of the last remaining sailors; Frixos Sekkides. Frixos Sekkides was lucky and he knew it. Forty-four years after the shipwreck, he returned to the scene, to say thank you to those who had saved his life. Finally, when I safe in the dory. I glanced back at the SS Corfu Island for the last time. She had been built in Canada and ended up in Canada to finally shed her crew safely on the shores of the Magdalen Islands: like the salmon that spent years in the open oceans, returning from their long and arduous journey against strong currents and myriads of other dangers, to their natal stream, primarily to spawn and to die. As journalist George Gaudet says in his foreword: "the story is the story of a past without compromise, as open as the author, generous and as truthful as his faithful and prodigious memory".
