O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Introducing iOS 8, Steve Derico, Learn to make iOS apps even if you have absolutely no programming experience. This hands-on book takes you from idea to App Store, using real-world examples--such as driving a car or eating at a restaurant--to teach programming and app development. You'll learn concepts through clear, concise, jargon-free language. This book focuses on Apple's new programming language, Swift. Each lesson is divided into two parts: the lecture portion explains the terms and concepts through examples, and the exercise portion helps you apply these concepts while building real-world apps, like a tip calculator. Learn how to think differently--and see the world from a whole new perspective. Learn the basic building blocks of programming. Dive into the Swift programming language. Make apps for iPhone and iPad. Use GPS in your app to find a user's location. Take or select photos with your app. Integrate your app with Facebook and Twitter. Submit your app to the App Store. Manage and market your app on the App Store.
