NorthStar is a four-level series with two powerful strands. One strand concentrates on developing listening and speaking skills, while the other focuses on reading and writing. The parallel books in each strand explore the same contemporary themes from two intriguing angles to stimulate students' imaginations and encourage critical thinking skills. Use the books separately or in tandem-the choice is yours. Whatever you decide, you can be sure of a fully rounded integrated skills approach that both motivates and instructs. Features- thematic links across the strands allow for recycling of vocabulary and grammatical structures- high-interest topics stimulate students' imaginations and encourage critical thinking and personal expression- language skills are developed systematically through communicative exercises that are both focused and fun- language levels and grammar points are keyed to Addison Wesley Longman's bestselling Focus on Grammar series, for a complete, coordinated course 184 pp. Englisch.
