Pandamensional Solutions, Inc., United States, 2012. Paperback. Book Condition: New. 229 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.In an economy that demands focused attention, 401k plan sponsors must concentrate on their business, not its employee benefits. Ironically, this same economic environment provides an ideal opportunity to create a retirement plan that can best help employees retire in comfort. Companies achieving this ideal will find it easier to hire quality employees. How can 401k plan sponsors balance these two opposing forces? The answer most likely lies not within the walls of the company, but in its ability to outsource certain key fiduciary duties to recognized leaders in the fiduciary service industry. 401(k) Fiduciary Solutions covers all 401k compliance issues in a single reference source. It is written for plan managers, sponsors and others with 401k plan fiduciary responsibilities. Smart plan participants may also find the book a helpful source for advice on how to actively monitor plan performance and regulatory compliance. 401(k) Fiduciary Solutions helps readers: - Learn the 5 areas of fiduciary liability. - See a benchmarking template on how to best measure your plan. - Read what issues experts and industry thought leaders say matter most. - Discover how to avoid hiring vendors with hidden conflicts-of-interest. - Recognize what academic research suggests will help employees making good decisions. - Find out what industry pros are doing to create better 401k plans. - Follow an easy-to-implement approach to develop effective plan education. 401(k) Fiduciary Solutions contains an exhaustive appendix filled with great resources and useful checklists. Here's What Others Are Saying About Christopher Carosa's 401(k) Fiduciary Solutions: The collection of material Carosa has compiled in 401(k) Fiduciary Solutions is nothing short of extraordinary.
