Befriending Ending and other essays

By Keith McWalter

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 172 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. The only certainty in life is death. Why then is the subject of mortality taboo in our society? There are books about how to respond to the deaths of others and what may happen to our souls after we perish, but very few address the hardest fact of death that each of us is mortal, and we each must eventually confront our own ending. Following the deaths of his parents, Keith McWalter was forced to face his own mortality, a reality that he, like most of us, had managed to ignore. He launched the blog *Mortal Coil*, where he writes nonfiction and opinion pieces on a variety of subjects including politics, personal relationships, and modern medicine. *Befriending Ending and Other Essays* contains many of the best essays from *Mortal Coil*; a thought-provoking compilation that combines strong emotions and lighthearted humor in a candid nonfiction style. The lead essay, *Befriending Ending*, is the unforgettable story of the death of a parent, and a provocative exploration of our collective denial of death. The collection ranges far beyond the opening subject, and...

Reviews

A whole new eBook with a new standpoint. Better than never, though I am quite late in starting to read this one. I discovered this publication from my dad and he advised me to discover.

-- **Meredith Hoppe**

This publication might be well worth a read through, and much better than other. It is amongst the most incredible book I actually have read through. I am delighted to tell you that here is the finest book I actually have read through inside my own life and could be the best eBook for possibly.
