## HISTORY WALKS IN NEW JERSEY

[DOWNLOAD PDF](#)

Rutgers University Press, United States, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.New Jersey has a varied and fascinating history - from its earliest Native American settlements, through its central role in the Revolutionary War, to its strategic position in the major events of our country s past. In History Walks in New Jersey , Lucy D. Rosenfeld and Marina Harrison treat readers to a comprehensive statewide guidebook that includes detailed information on forty-eight of the best sites for historical walks. These outings take the history enthusiast through beautiful green landscapes, natural preserves, and picturesque settlements. Whether you are an amateur historian, a weekend walker, or a teacher planning a class trip, this book will be an essential resource for ideas and information. Walks include the Kingston Loop, a long canal where George Washington, pen in hand, composed his post-Revolutionary War speech, Farewell Orders to the Armies of the United States. Also included is a mountain walk that traces Native American Leni-Lenape history and one that wends its way into an old Moravian village in the town of Hope. A pirate cove, stops on the Underground Railroad, a Civil War cemetery, and the sites of duels, mines, canals, architectural innovations, estates and resorts, centuries-old agricultural and fishing settlements, and the Hindenburg crash are all here. Each walk includes directions, information on tours, a brief history, and suggestions for additional places to visit in the area. Whether a New Jersey native or a visitor to the Garden State, readers will enjoy going beyond the highways and suburban towns to learn about history while discovering the state s natural beauty.
