This book is written for those who understand that they can achieve success through a positive mental attitude, but are ready to go beyond visualisation and are looking for a practical guide in making the transition from visualisation to actualisation of becoming successful people. At almost twice the length of competing books in its genre, Millionaire Mindset will not only guide you though the most important traits and habits of millionaires it contains a bonus section with practical ideas that is the length of most ebooks in the genre, providing exceptional content and unsurpassed value for money. This book will help you master the game of money. The Problem with most success books Most success books focus only on positive thinking. Readers are often left charged and rejuvenated but after years of thinking to grow rich, sometimes very little progress is made in life. The majority of other books in this genre contain the same recycled content (law of attraction). This book is different, this books is a more pragmatic in-depth look at the millionaire mind and strategies. This book will look at some of the most important traits of millionaires and their habits, but it also looks at some of their most powerful wealth building strategies. The FREE bonus section is filled with a host of simple practical ideas virtually anyone can adopt regardless of business acumen. This book goes beyond books like money master the game, and provides a more powerful indepth look into how wealth is generated. This book is intended to pick up where most other motivational books fail to deliver. It is...
