A mother was addressing her small son from the door. You are a discontented little animal she declared. Thats whats the matter with you, She was nearer the truth than she realised. That is what is the matter with mankind generally. Willam Blake has pictured him only, as a morsel of unrest at the foot of a ladder, whose toy is amongst the stars. His cry goes out into ace I want I want, we took a long adventurous journey with men, women and children, from the dawn of civilisation to the times of the Roman Empire. We travelled with strange peoples, some of whom chose to do what they thought was right, some what they knew to be wrong. Many did not seem to care anything about right or wrong, but were out to win the best for thenselves, their...

### Reviews

*The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
