Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from Digest of the Common School System of the State of New-York: Together With the Forms, Instructions, and Decisions of the Superintendent an Abstract of the Various Local Provisions Applicable to the Several Cities C; And Sketch of the Origin Progress, and Present Condition of the System In submitting the following work to the inhabitants and officers of school districts, the various town and county officers charged with the local administration of the common school system in its several departments, and the public generally, the compiler has been actuated by an earnest desire to diffuse as widely as possible, a more thorough and accurate knowledge of the history and details of that system than has hitherto appeared. Having been connected with the department of common schools for the past seven years, during which period three successive Superintendents have been in office, and the system has undergone numerous important modifications, the necessary materials for a complete digest of its various provisions, as well as for the requisite adaptation of the numerous expositions, decision, and instructions of the department, to the present state of the law, were probably more fully within his reach than that of any other individual. The volume of Laws and Decisions prepared and published by Gen. Dix in 1837, however valuable for its intrinsic interest, and for its clear and lucid exposition of the fundamental principles of our system of public instruction, has become to a very great extent inapplicable to the existing details of that system; and here relied upon as a guide, by officers of districts, of towns and counties, must necessarily embarrass and mislead. The compiler of the present work has therefore...
