Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Turkey has long been a valued U.S. NATO ally and strategic partner. Successive administrations have viewed it as a secular democracy that could serve as an inspiration or model for other Muslim majority countries. However, the ruling Justice and Development Party s (AKP) foreign policy decisions have led some U.S. observers, including Members of Congress, to question its future course. Domestic political developments may be enabling the AKP s greater assertiveness in international affairs and are, therefore, worthy of closer scrutiny. This report provides that examination via an overview of the current Turkish domestic political scene. The main theme of the report is that the ongoing struggle for power in Turkey will determine the country s identity, and that will have consequences for U.S. policymakers. Turkey s secular identity has long been considered unique among majority Muslim states, as secularism was a founding principle of the modern Turkish Republic as well as the principle that has produced the most domestic political tension. The AKP, formed in 2001, has Islamist roots but claims to be conservative and democratic. Its emergence and acquisition of power have exacerbated concerns, especially in secularist circles, about whether AKP is intent on altering Turkey s identity. Prime Minister Recep Tayyip Erdogan .
