Think you have to pay someone to make your E-Book graphics? Let's get down to Earth here. You don't need to be a graphics artist to make a very attractive E-Book Cover. You can make your own with the tools already on your computer desktop. You didn't hire a professional editor and you didn't hire a professional agent. Why hire someone to make your cover for you? Let me show you how. The two things you will need are Internet Explorer and a Word Program, such as Microsoft Word 2010 (it's a good investment if you're going to be writing for profit).
