Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

(Santina Sanford)

NOT THE SALARY BUT THE OPPORTUNITY

COSIMO CLASSICS, United States, 2007. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.The value of a job comes not only in the paycheck but also in the chance to learn new skills and absorb the secrets of business. Self-help pioneer Orison Swett Marden-the preeminent motivational expert of the early 20th century and a forerunner of Dale Carnegie and Norman Vincent Peale, Stephen R. Covey and Anthony Robbins-recognized this truth a century ago, and in this concise 1909 work, he explains how to find the salary beyond mere dollars and sense. From the vital importance of self-respect to the best way to cultivate the right attitude for success in the business world, Marden's advice is just as timely today as it was a century ago and just as useful. American writer and editor ORISON SWETT MARDEN (1850-1924) was born in New England and studied at Boston University and Andover Theological Seminary. In 1897, he founded Success Magazine.
