Paladin Press,U.S. Paperback. Book Condition: new. BRAND NEW, Israeli Security Warrior Training, Garret Machine, If you are interested in a career in the security field, you owe it to yourself and your future clients to learn from the best. And there is no one better at turning out security professionals than someone who has been trained and tested in Israel. Israel is a proving ground for effective security. As a result, Israeli security training is the best in the world, bar none. In Israeli Security Warrior Training, Garret Machine shares the skills and knowledge he learned while in the Israeli Defense Forces (IDF) and later while serving as a security guard for the Israeli Ministry of Defense. This book is an instructional guide for various urban, tactical, and security operations, as well as building, managing, and training a security team. It includes combat-proven principles, techniques, and drills for turning out effective security professionals, including chapters on recognizing and defending against ambushes; undercover security; bomb threats; search guidelines for buildings, vehicles, and people; hostage-scenario protocols; combat shooting; tactical driving; physical fitness; trauma first aid; and much more. Israeli training turns out security warriors, not security agents. The distinction is in the skill set and the mindset of the warriors, a critical difference when lives are at stake.
